

# Why not have your say?

## We're looking for additional PPG members!

### What is PPG?

PPG stands for Patient Participation group. This is a way in which we can gather feedback & opinions of how we run our surgery.

### What does it involve?

- Sharing your ideas & opinions in a relaxed & friendly environment.
- Attending 4 meetings a year.
- Helping develop current ideas.
- Reviewing & agreeing new procedures.
- Meeting NHS & surgery staff.
- Composing patient questionnaires & analysing survey results.
- Representing the views of not just yourself but of your peers.
- Have a long lasting stamp on the NHS & its future.

### What we need?

We are looking for new members to join our group in order to give a balanced perspective. Candidates **MUST BE** aged between 18-40 to compliment our existing PPG members.

### Do I have what it takes?

Of course you do! All you need is an interest and enthusiasm for improving the health services in the area. Simple as that!

### Benefits to you?

- Looks great on your CV and in UCAS & job applications!
- Will help extend your communication & teamwork skills.
- Networking – meet with people currently working within the healthcare profession.
- You will gain knowledge of the healthcare services in our area.

If you're interested simply speak to our staff at reception or ring **01744-882855** and ask for **Helen Sansbury**. We can even put you in touch with current members of our PPG for an informal chat.
